The Organising Committee cordially invite you to participate in the 48<sup>th</sup> Annual Scientific Meeting of The Australasian Society for Immunology taking place from 8-12 December 2019 in Adelaide, South Australia. The Conference aims to provide another innovative and dynamic scientific program.

We are putting together a varied and balanced program spread over 5 days to showcase the best immunological research from Australia and around the world. With a wide-range of topics from tumour immunology, inflammation, autoimmunity, infectious disease, translational immunology and more, we will ensure there is something for everyone.

Preparations are well underway and we anticipate an intellectually challenging time, as well as an enjoyable opportunity to experience South Australia and its unique environment. The Organising Committee are preparing an engaging social program to give you a flavour of South Australian culture and cuisine.

Adelaide is a modern, dynamic, vibrant and lifestyle city with direct access to Australia's best wine regions and stunning scenery, making it an ideal destination for pre and post-Conference touring. It is home to world-class restaurants, a diverse nightlife, stylish shops and more.

**We look forward to welcoming you to Adelaide!**

## Adelaide Convention Centre
